ABOUT ME

Enthusiastic and dedicated individual with a strong passion for computer science and ethical hacking. Eager to apply my knowledge and skills in programming, software development, and cybersecurity to contribute to a dynamic team. I have a basic understanding of ethical hacking principles and techniques and am eager to expand my expertise in this area. Known for my strong work ethic, attention to detail, and willingness to learn, I am committed to delivering high-quality results and continuously improving. I am excited to begin my career and make a meaningful impact in the fields of computer science and cybersecurity.

EXPERIENCE

GOOGLE AI-ML VIRTUAL INTERNSHIP, AICTE EDU SKILLS
JULY 2024 – SEPTEMBER 2024

Gained hands-on experience in developing and implementing machine learning models using Google's advanced AI tools and platforms.

WEB DEVELOPER, POWERSTORM, LTD.
JUNE 2022 – SEPTEMBER 2023

Worked on developing and maintaining responsive websites, utilizing HTML, CSS, and JavaScript. Collaborated with cross-functional teams to implement user-friendly features and optimize site performance

DATA ANALYTICS VIRTUAL INTERNSHIP, AICTE EDU SKILLS
DECEMBER 2022 – 2023 FEBRUARY

Gained hands-on experience in data analysis and visualization using tools such as Excel and Python. Assisted in interpreting complex datasets, generating reports, and providing actionable insights to support decision-making processes.

EDUCATION

B.TECH IN COMPUTER SCIENCE
RAGHU INSTITUTE OF TECHNOLOGY, JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY-GURAJADA, VIZIANAGARAM
EXPECTED GRADUATION JUNE 2025

Studying Computer Science and Engineering with a focus on programming and cybersecurity.

INTERMEDIATE EDUCATION, AP
SRI CHAITANYA JUNIOR COLLEGE, VSP
APRIL 2019

Completed intermediate education with a focus on Mathematics, Physics, and Chemistry.

SECONDARY EDUCATION, AP
M.S.M PUBLIC SCHOOL, VSP
APRIL 2017

Completed secondary education with a strong foundation in core subjects.

CERTIFICATIONS

AWS Academy Data Analytics - *AWS Academy*

Ethics in the Age of Generative AI - *Project Management Institute*

JavaScript Algorithms and Data Structure - *Freecodecamp*

Penetration Testing: Advanced Kali Linux - *LinkedIn Learning*

Ethical Hacking: Vulnerability Analysis - *LinkedIn Learning*

Career Essentials in Generative AI - *Microsoft and LinkedIn*

Ethical Hacking: Wireless Networks - *LinkedIn Learning*

Ethical Hacking: System Hacking - *LinkedIn Learning*

Ethical Hacking with JavaScript - *LinkedIn Learning*

Advanced Java Programming - *LinkedIn Learning*

The Cybersecurity Threat Landscape (2019) - *LinkedIn Learning*

Mastercard - Cybersecurity Job Simulation - *Forage*

PROJECTS

STARUPZ - Startup Support Prototype
Innovation Fair 2022 - Design Innovation Center, JNTUK
- Submitted a prototype designed to assist startups with [brief description of the prototype's goal or features].
- Exhibited the prototype at the Innovation Fair, competing against numerous participants.

HONORS & AWARDS

Best National Service Scheme (NSS) Volunteer
National Service Scheme
- Recognized as the Best Volunteer for outstanding contribution to community service and social development.
- Developed a prototype for the college NSS website, enhancing communication and event coordination within the NSS.

Innovation Fair 2022 (Jawaharlal Nehru Technological University, Kakinada)
Design Innovation Center
- Presented an innovative prototype/idea "Starupz" at the Innovation Fair, organized by Design Innovation Center, JNTUK (27-28 December 2022).
- Recognized for creativity and innovation, achieving 4th place among participants.

TECHNICAL SKILLS

- Network Security
- Penetration Testing
- Vulnerability Assessment
- Ethical Hacking
- Web Development
- Debugging & Testing

SOFT SKILLS

- Problem solving
- Flexibility Organization
- Communication
- Organization
- Analytical Thinking
- Attention to Detail

ACTIVITIES

As a dedicated networker and people-person, I thrive on attending industry events, building connections, and uncovering new opportunities. In my spare time, I enjoy reading books on cybersecurity and ethical hacking, exploring tech blogs, staying updated on the latest industry trends, and crafting innovative strategies to stay ahead in the field.

PERSONAL DETAILS

Date of Birth: 11 JUNE 2003
Hobbies: Engaging in bibliophilic adventures and exploring emerging technologies.
Interests: Ethical Hacking, Cloud Computing, Ancient History, Hiking
